

# HOW YOUR CONTRIBUTION EMPOWERS PEOPLE LIVING WITH HIV/AIDS

The information in this graphic is based on House of Mercy's financial reports from Fiscal Year 2022-2023

## HOUSE OF MERCY PROGRAMS

### PALM (Peace and Love in Mercy) Program

Provides short-term residential and long-term supportive services to persons living with HIV or AIDS who are 18+ and unhoused. The primary focus of the PALM program is to implement an individualized plan to move toward self-sufficiency.

### Positive Connections Program

Provides case management services to those who transition out of the PALM program or live independently in the broader community. We believe that you must "Connect to Thrive", so we offer participants a variety of resources as they continue their journey.
